**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic customer who uses Sonic provided ADSL and telephone service over ATT copper lines. Service and rates with Sonic are much better than I ever got with ATT or SWBell. I believe that removing the ability of Sonic to use unbundled AAT copper line would result in poorer service and greater rates. This is why I support broadband competition.
